 - (iv) a process for regularly testing, assessing and evaluating the effectiveness of technical and organisational measures for ensuring the security of the processing;
 - (b) LogiSense is authorised to engage the sub-processors listed on Appendix 2 to this Addendum to undertake processing on its behalf, provided that, upon Customer's request, it provides the Customer with prior notice in writing containing details of the sub-processors that it engages and informs the Customer of any intended changes concerning the addition or replacement of such sub-processors and provides the Customer with a reasonable opportunity to object to such changes;
 - (c) where any sub-processor engaged by LogiSense will be processing such personal data, LogiSense shall ensure that a written contract exists between LogiSense and the sub-processor containing clauses equivalent to those imposed on LogiSense in this clause.
